What does your registration fee mean for KCC?

Financially, COVID-19 has been a very significant blow. With conventions unable to go ahead as normal and our conference centre closed until further notice, we have no revenue coming in this year. By honouring our request for registration, you help enable KCC to keep valuable Christian ministry happening and help us keep it intact for 2021 and beyond.

Purchasing an individual ticket also enables KCC to cover the costs of providing the live stream itself.

If you'd like more information and an update on KCC, we'd love you to [read our Annual Review](#).

What is the best ticket option for me?

Group leader: If you are purchasing tickets for your group, you will need to purchase a group leader ticket for yourself and ensure that the rest of your group have purchased individual tickets (or that you have purchased these for them).

For example, if you are a youth group leader and have 10 youth attending, you would purchase a group leader ticket for yourself and 10 youth tickets.

Purchasing a group leader ticket will just help us send you the right information and resources to help you organise the day!

Youth ticket: Purchase this ticket if you are viewing KYCK individually or as part of a youth group.
